# HAPPY MOTHER'S DAY!

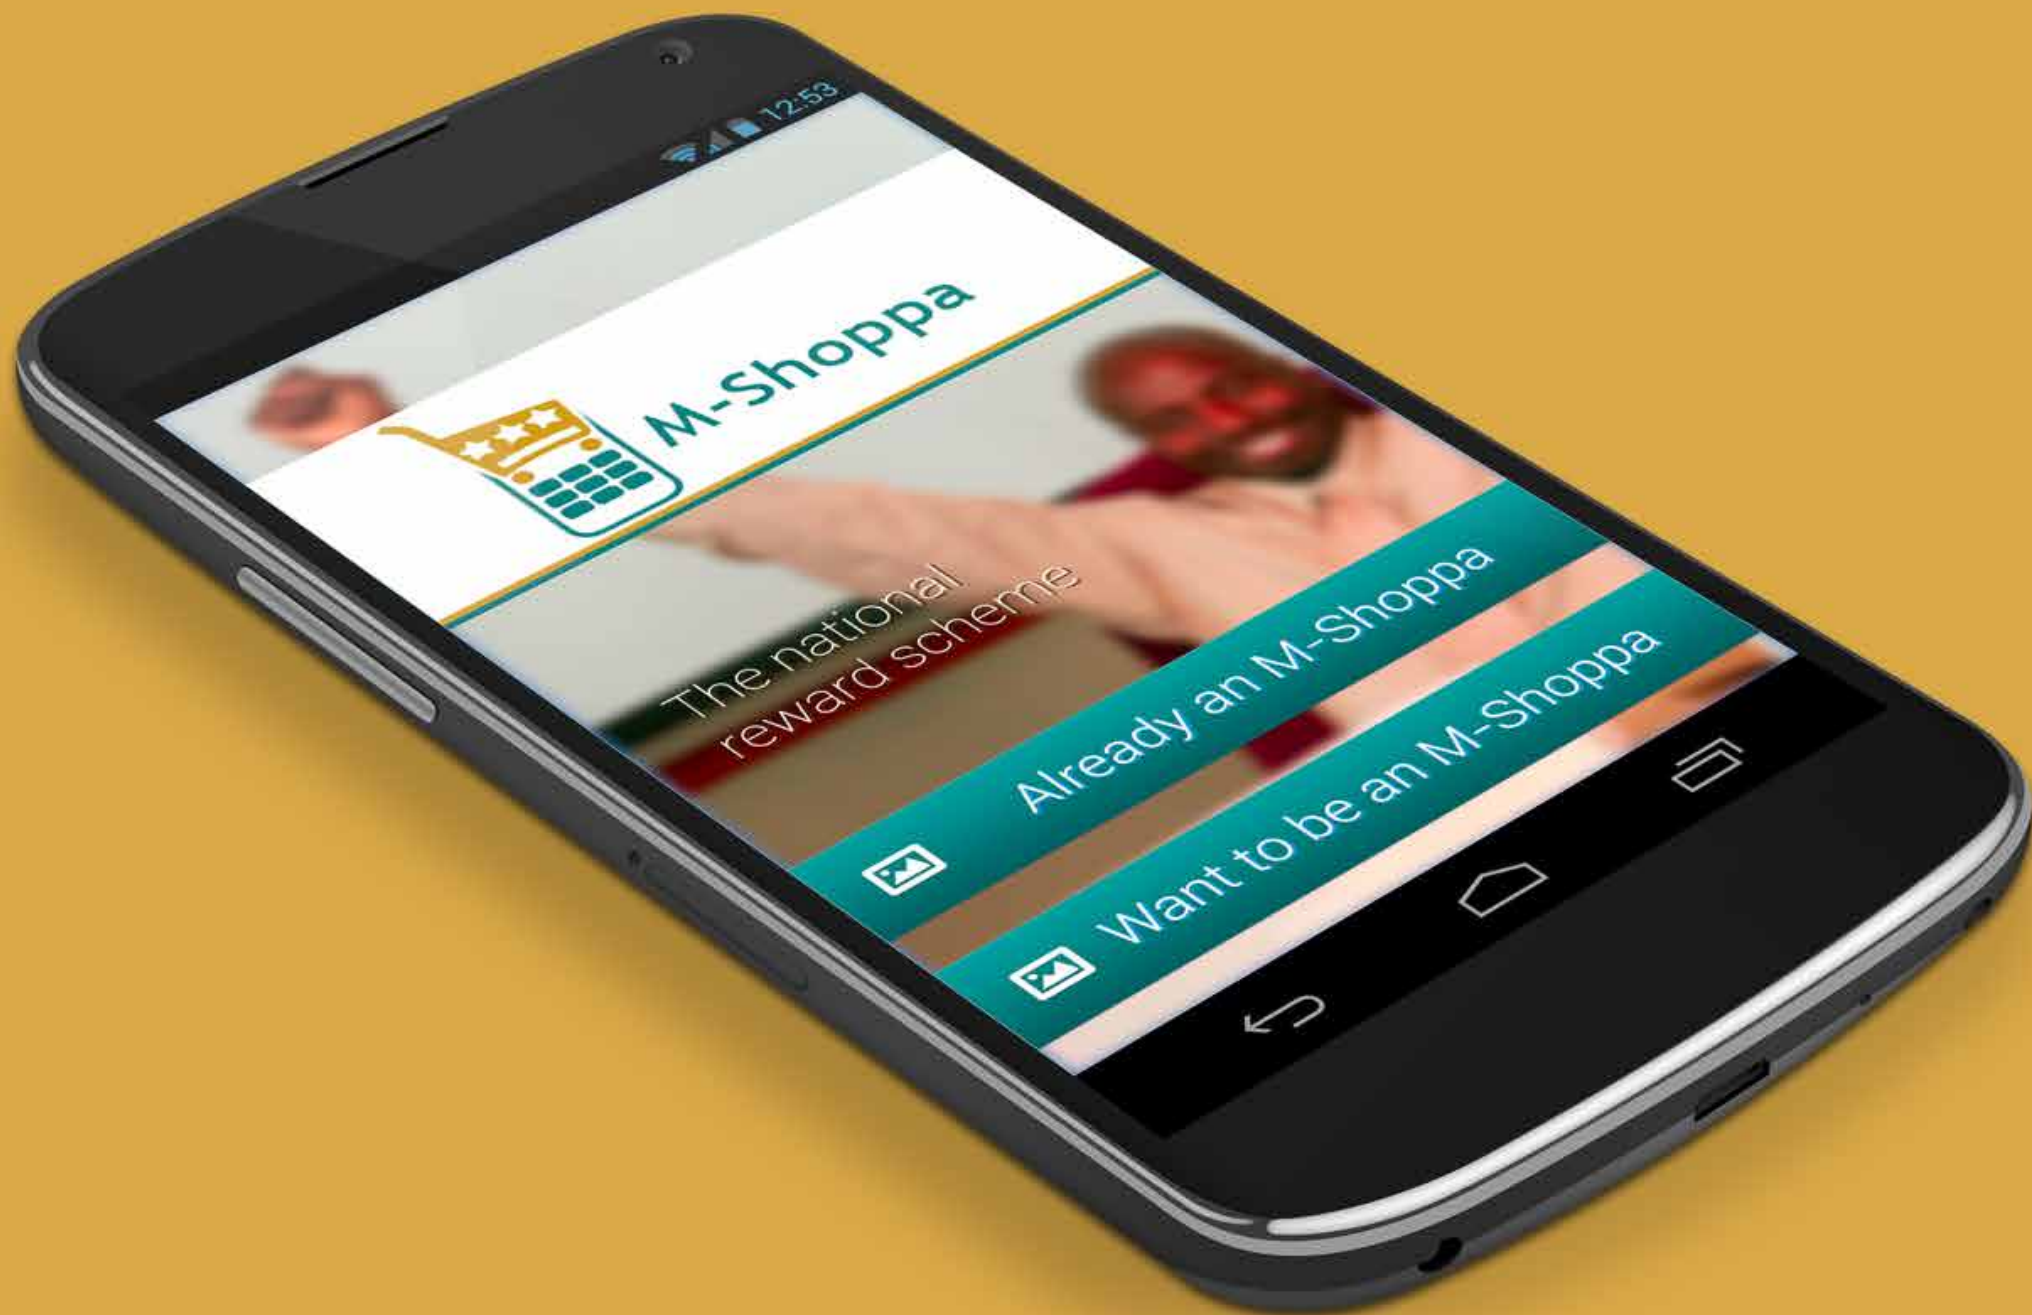

It comes with little Instruction, but she does it with all the precision;  
She has developed a great attitude just by telling everyone of her gratitude;  
She gives up everything she's got; just to get you where you want;  
Philosophers say it's instinctive, others say it's a call of humanity, you and I call it a Gift!  
A Happy Mother's Day to all the Mothers of the world from Oserengoni Wildlife Sanctuary.  
We are forever indebted by your selflessness and pledge our LOVE to you forever!
